BIRD POOP & STAIN REMOVER

safe on washable & painted surfaces • original pet & wild bird formula

Directions: Refill 16 oz Poop-Off brush top bottle or use sprayer. Tip bottle and gently squeeze liquid onto bird droppings. With scrubbing motion the bird poop and stains will vanish. Repeat if necessary on hard droppings until removed. Poop-off works best when used with brush on perches, dried droppings and on carpet. Spray walls, floors, hard surfaces, carpet and cages with liquid. Wipe with a cloth, sponge or brush menses. Repeat if necessary.

Poop-off will remove even the toughest stains from clothing, upholstery and carpets. Check for color fastness on a small hidden spot before applying to complete area. Used by bird lovers, breeders, Zoos, Veterinarians, bird and pet stores daily to end the tedious task of cleaning up after birds. Quality assured the only product with 100% avian safe ingredients. Safe enough to use with birds inside cages or on play perches.

Contains: filtered water, active enzymes, surfactant, and avian safe fragrance.
